We are happy to report that LAC M.K.Parlee is safe and in this country. In a former Bulletin he was reported as missing but this is a case of mistaken identity.

We were pleased to hear from Lt.Col. D.K.Black ('17-'21), H.Q., R.C.E., 2 Cdn. C.Tps., C.A.O.. His reference to "no spittin' behind the kiles" will bring back memories of Sgt.Maj. Pyke to many. CRICKET Bill Price was elected Cricket Captain, and this year the School had a strong bowling and fielding but a weak batting team. L.C.C. played us out here, B.C.S. winning the first innings 70-63. In the second innings the School made 71 and the game ended with 8 L.C.C. wickets down for 65.

Ashbury, playing us on the L.C.C. grounds in Montreal, swamped us with a first innings score of 165 for 6 to - let's break this gently - thirteen. In our second innings we made 56 for 6 wickets.

First Team Colours were awarded to the following: Price, Fuller, Jarrett, Hallward, Smith, Stoker, Dobell, Gault, Sewell, Satterthwaite, Ford, Day.

Under 16 and Beginners' Creases functioned as usual, and played a number of matches against the Prep.

The Prep played. L.C.C. and Selwyn House in Montreal, winning both their matches. The scores; Prep 62 and 50 for 5; L.C.C. Juniors, 26 and 30. Prep 76; Selwyn House, 38.

Incidentally, such is the shortage of cricket balls in this country now that baseballs are used in all practices, and the real thing reserved for matches.

CADET CORPS The Corps was very active this term, being inspected on May 17th by Major General Renaud, C.O. of M.D.4, and taking part in two Sherbrooke parades one inaugurating the 6th Victory Loan, the other for the unveiling of the Sherbrooke Honour Roll.

The Special Platoon this year put on the usual Precision Drill, and also gave a display of Battle Drill Movements - Section and Pincer Attacks.

SPORTS DAY For a wartime closing a good many parents showed up, and the weather was perfect. Finals of track events were run off in the morning and prizes presented in the Gym before lunch. Group Captain Hartland Molson presented the prizes. The Smith Cup for the Senior All-Round Championship was won by John Tyler, the Intermediate Championship by Tony Dobell, and the Junior by Robin Pitfield. The Winder Cup, presented by Mrs. Winder in memory of the Doctor, was won by Freddy Fuller. This Cup is for Strength of Character as manifested by Gentlemanliness, Sportsmanship and Industry.

THIS & THAT As we go to press Matric week is in full swing with about fifty boys still at the School. Although rain has come after weeks of dry weather, no flood has as yet appeared. Pessimists still maintain that it is merely later than usual - you can't count on these things being on time in wartime.

Many boys are planning to work during the holidays, and a number of them have been engaged for jobs at the mill at Baie Comeau.

Mr. Sauerbrei, Chaplain at the School for the past two years, is leaving this term. We are very sorry to lose him, and we wish him good fortune.

Ever since April the School has been filled for next year, which is a very gratifying state of affairs. Moreover, we understand that there will be 'no less than five (count 'em), Prices. As someone said, "What ! - no ceiling?"
